

No Kings Day

This Flag Day, Saturday, June 14, we're saying NO to thrones, NO to crowns, and NO to kings at the nationwide No Kings Day Rally . Why? Because Trump is planning a made-for-TV military parade to celebrate his birthday (using \$100 million taxpayer dollars). We're giving him the gift of people power instead.

Hundreds of cities around the country are standing up to defend democracy and fight back against this billionaire-backed chaos. We need you to show up for this critical day of action because in America, we don't do kings .

While there will be many No Kings events across the state, **we'll be marching to the waterfront rally, organized by 50501 Vermont and others, at the Burlington Waterfront from 12 - 4pm.** [Join them there](#) for speeches, musical performances, food trucks, a staged die-in featuring the Resister Sisters, and so much more. Events like this need many hands to make it work. If you can help 50501 Vermont before, during or after the event, please click [here](#) .
